Resolution against diverting highway funds approved.

Painting Center Lines On Highways Is Big Job

Painting highway center lines was a major item last year in the State Highway Department's maintenance operation in the Lynchburg highway construction district, of which Appomattox County is a part.

The department this week said a total of 918 miles of pavement were marked during 1949 in the 10 counties which make up the Lynchburg District.

Counties in the Lynchburg District are Amherst, Appomattox, Buckingham, Campbell, Charlotte, Cumberland, Halifax, Nelson, Pittsylvania and Prince Edward.

The operation consumed some 14,790 gallons of paint. Next cost of the center-line marking, including paint and application, was $39,383.89.

Placing reflectorized paint, designed to reflect a headlight's beam at night, was considerably more expensive than the regular painting. Average cost of the reflectorized marking was $61.77 per mile, as compared with $40.03 per mile for the regular or "traffic zone" paint.

Reflectorized center-line marking was confined to the heavily-traveled highways in metropolitan, mountain or fog areas. Some 67 miles were marked with reflectorized paint; 880 miles were marked with regular paint.

The "season" for marking center lines generally extends from around mid-March to the first of November, the highway department said. The operation is seasonal because good results are obtained only when the pavement is dry and temperatures are above 40 degrees, engineers explained.

It requires around eight gallons to paint a mile of single standard broken line. Double lines and multiple lane markings increase paint consumption to a high of nearly 50 gallons per mile for four-lane highways.

COLORED DOTS

The public is invited to a special cemetery program at First Baptist Church this Sunday at 3 P. M. Rev. C. A. Marshall will deliver a special sermon. Music will be rendered by members of First Baptist and Gallee choirs.

A large crowd attended the local P.-T. A. held at Carver High School last Tuesday evening. The following new officers were elected: president, Charlie Williams; vice pres., Coleman Robinson; secretary, Miss Ste[illegible]; asst. secs. Mrs. Cooke, and treasurer, G. J. Stevens.

All farmers and patrons are invited to attend the farm machinery repair class held at the Carver High School each Tuesday and Thursday evening at 7 o'clock. The class has been granted the patrons for twelve weeks and we have used nearly half of the weeks and only a few patrons have taken advantage of the opportunity. You are asked to come and repair any broken tool or item of equipment that needs fixing. A small fee will be charged for any supplies that you use.

The important point to remember about deep fat frying is to keep the temperature at even and correct heat. When comparatively cold food is dropped into the fat, it tends to cool off the fat slightly. Therefore, a deep fat thermometer is helpful. Correct temperature will help overcome the wasting of food and fat. Fat that gets too hot can't be used more than once or twice . . . but if heated to the right point, and kept that way, it can be strained, and stored in a cool dark place to be used many times.

Why Should a Dollar's Worth of Travel Continue to Cost You $1.15?

"Is THIS TRIP NECESSARY?" you were asked in 1941, when every inch of space was needed for troops and war supplies.

To discourage travel then, a tax was added on your travel dollar, a tax that grew to 15% during the war. The Federal Government collected it through the railroads. The Government still collects it, though your travel need not be rationed now.

Today, the original purpose of this tax is as obsolete as an Air Warden's helmet. But, four years after the war's end, YOU are still paying the Government at the rate of $250,000,000 a year in travel tax.

And, of the billion and three quarters collected since 1941, *over half* came out of your pocket *after* the green light on travel went on again.

You don't have food rationing today . . . you don't have gasoline rationing today.

Yet, a very real brake is still being put on travel. On a coach trip from New York to Chicago, for example, YOU are still paying $4.61 in Federal tax.

And the same with the goods that are shipped to your home community. On every dollar you pay for freight, you pay the Government an extra 3 cents (4¢ a ton on coal). That means YOU are still paying over $300,000,000 a year *—freight tax alone.*

* * *

This tax should be repealed NOW. There is no longer any reason you should pay $1.15 for every dollar's worth of travel . . . $1.03 for every dollar of railroad freight.

Eastern Railroads

Special Appeal For March Of Dime Drive

Judge Joel W. Flood today made special appeal for local support of the March of Dimes drive for the Infantile Paralysis Foundation. He said that the county's share of funds from past years was virtually exhausted, and that it was advisable to raise more through the March of Dimes than usual. $1,000. He appealed to schools and churches to join in the effort, and pointed to the January 31st deadline. He had words of praise for the fine contributions received at the Appomattox Garment Company, and hopes that other groups will match their gifts. Miss Laura McFadden is treasurer of the drive, and DeWitt Evans is fund chairman.

Judge Flood said the easiest way to give was to drop a liberal contribution into one of the many March of Dimes boxes at stores and business places over the county.

RECENT BRIDES ARE HONOREES

Miss Marian DeJarnette and Miss Nell Staples, of Lynchburg, entertained with a shower Monday evening in Lynchburg, honoring two recent brides, Mrs. Allen Wood, Jr., the former Miss Kathleen Agee, and Mrs. H. T. Harvey, the former Miss Catherine Thomas.

89th Birthday

Mrs. Bennett W. Bagby celebrated her 89th birthday January 14, a luncheon was given in her honor by her daughter, Mrs. Monroe Garrette. Those present were her pastor, the Rev. J. P. Leitner, and Mrs. Leitner, Mrs. Sadie Covington, of Vera, and Mrs. T. H. Robertson.

Others calling to wish her happiness were Mrs. Percy Carrette, Mrs. David Garrette and John W. Scruggs. Mrs. Bagby was the recipient of a shower of cards and useful gifts. Mr. and Mrs. E. B. Hammersley, of Gladstone, also called to extend their best wishes for "more happy birthdays" to Mrs. Bagby.

A. H. S. DIVIDES TWO BASKETBALL GAMES

Appomattox High School girls' basketball team downed Virginia Commercial College, of Lynchburg, by a score of 42-39 Tuesday night at the Concord High School gymnasium. Barbara Johnson was high scorer, with 31 points, followed by Beatrice Totty with 11 points.

The boys' team showed great improvement in play in losing to the Virginia Commercial College boys, 36 to 29. Harry Lawson, Bobby Chernault and Ray Wingfield each scored 9 points; Sam Ferguson, 5; John Chandler 4 and Buddy Ould 2 points.

Both teams will play Bedford High School Tuesday night at the Concord gym. In their last game, the Appomattox girls lost to the Bedford girls by only one point.

Last night at the Concord gym, Appomattox girls handed Altavista girls their first defeat of the season, but A. H. S. boys lost to the Altavista boys team.

Joe Martin to demand a vote on reduction of taxes.

A. H. S. to play Bedford Tuesday night at Concord gym.

Appomattox is a growing town.

J. E. Jamerson & Sons Start Work on New Building

J. E. Jamerson & Sons announced today that ground had been broken for their offices and plant, and that completion is expected in about 60 days. The building will be 46 by 110 feet, of cinder block. It is located facing Church Street, across U. S. 460.

This firm is a leader in the building supply and materials business. The present yard and offices are located at the rear of the Lee Theatre office building.

Appomattox people will welcome this addition to fast-growing local enterprises.

Homemakers' Items

Looking for new ways to serve pork? Here's a special suggestion for Sunday night supper or for a luncheon menu. It's pan-fried ham sandwiches. Place a slice of boiled ham between two slices of bread and fasten with pieces of toothpick. Then dip the sandwich into a mixture of eggs-and-milk. Use 2 eggs to about 1-2 cup of milk. Pan-fry the sandwiches in a little fat until they're a golden brown. Then, with the sandwiches, serve soup and celery curls, a fresh fruit salad and sugar cookies.

For the sake of economy don't throw left-over coffee away. It is excellent as the liquid for making chocolate pudding . . it gives a new flavor to an old dish . . and it is readily usable in cakes, icings, and cookies.
